

ERIC DE LEON
TRANSPORTATION COORDINATOR

Eric De Leon is the Transportation Coordinator for Read USA. His primary duties include requesting and scheduling transportation for tutors and creating bus routes for the elementary students. He is the 1st line of communication between students, teachers, and our contracted transportation carriers in regarding changes or delays.

He has 3 years of logistics experience and 10+ years of customer service experience. Eric is joining us from his role as a Market Manager for Sysco International Food Group where he managed different restaurant accounts for South/Central American countries and requested documentation for customs. He also managed the way the containers were transported to foreign countries.

Eric graduated from Baldwin Middle Senior High School where he was the Spanish Club President for 2 years and was also In the Varsity Cross Country Team. In his time off he enjoys playing music, making arts and crafts, and exercising.
