

HOLDEN SCYSTER
DATA & ASSESSMENT SUPERVISOR

Holden joined the READ USA Team in October of 2022 as a Program Coordinator. He supports the mission of READ USA by supervising assessments, monitoring data entry, and reporting outcomes for various programs and grants. Holden earned a bachelor's degree from Louisiana State University and is currently working towards a master's degree from Jacksonville University in Applied Business Analytics.

Holden served as an avionics technician in the Navy and as a middle school math teacher in Duval County. He and his wife have lived in Jacksonville since 2013 and enjoy serving in their community or finding new restaurants to try. In his downtime, he can be found watching sports, or enjoying time outside.
